DETAILED ACTION

This Office action is responsive to communication received 5/09/2005 – After Final Amendment.

EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Sean O'Hanlon (Reg. No. 47,252) for Stephanie Scruggs, on May 25, 2005.

The application has been amended as follows:

The following changes have been made in the claims to correct the dependency of certain dependent claims in view of the cancellation of claims 27 and 42.

IN THE CLAIMS:

Claim 28 – line 1, "27" has been CHANGED to --26-- ;

Claim 29 – line 1, "27" has been CHANGED to --26-- ;

Claim 43 – line 1, "27" has been CHANGED to --26-- ;

Claim 44 – line 1, "27" has been CHANGED to --43-- .

REASONS FOR ALLOWANCE

The following is an examiner's statement of reasons for allowance: Claims 26, 28, 29, 33-41 and 43-45 are allowable over the prior art references of record because it

Art Unit: 3711

would not have been obvious to modify any of the prior art devices of record to include a front face with an inner and outer surface, with the inner surface including an amount of alpha case, wherein the inner surface is treated so that both a residual stress and a second alpha case are realized, the second alpha case being less than the first alpha case.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Sebastiano Passaniti whose telephone number is 571-272-4413. The examiner can normally be reached on Mon-Fri (6:30-3:00).

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Greg Vidovich can be reached on 571-272-4415. The fax phone number for the organization where this application or proceeding is assigned is 703-872-9306.

Information regarding the status of an application may be obtained from the Patent Application Information Retrieval (PAIR) system. Status information for published applications may be obtained from either Private PAIR or Public PAIR. Status information for unpublished applications is available through Private PAIR only. For more information about the PAIR system, see <http://pair-direct.uspto.gov>. Should you have questions on access to the Private PAIR system, contact the Electronic Business Center (EBC) at 866-217-9197 (toll-free).
